STONE SERIES INSTALLATION GUIDE

PLEASE READ ALL INSTRUCTIONS CAREFULLY BEFORE INSTALLING FIXTURES.

BEFORE INSTALLATION

1. Please check to see that your fixture was not damaged during shipment, and that you received all the hardware needed for installation.
2. **CAUTION: Disconnect main power at the breaker box before beginning installation. Do not turn power off at the wall switch only. Failure to properly disconnect the main power supply may result in serious injury.**
3. **CAUTION:** Install the appropriate size lamp in your Stone fixture. Do not exceed the manufacturer's maximum wattage restrictions - (1) 150 watt incandescent bulb.
4. SPECIAL NOTE: For easier installation, it is recommended that two (2) people be used when making the electrical connections and mounting the fixture.
